16: CRICH QUARRY – PLANNING APPLICATION

Update:

17: QUEENS MEMORIAL GARDEN

Our original plans for the Jubilee Garden needed to be reviewed. Information we have gathered indicates that the stability of the proposed area, on the Jubilee Ground, is suspect, therefore we can no longer proceed with the original garden design.

A new design has been drawn up by Cllr Baugh, it was suggested that we ask Mr Creed to clear the area, refurbish the stone circles already in place and build another stone circle. A tree would be planted along with flowering shrubs. The original budget will be used to complete this work.

Mr Creed has agreed to clear the area.

Quotes are still being obtained for the rest of the work.

MATTERS FOR DECISION

19: AVBC LOCAL PLAN

To consider the report on the Amber Valley Local Plan presented to the Full Council of Amber Valley Borough Council on 20 September 2023.

Another letter was written to all Parish and Town Councillors in Amber Valley and all Amber Valley Councillors drawing to their attention the fact that the plan as it stands opens up land for speculative developers which is a threat to the whole Borough and the limited consultation allowed which would seem to fall well short of recognised good practice.

An email response was received from the Leader of AVBC Cllr Chris Emmas-Williams on 9th October 2023.

We have also received correspondence from Belper Independents and local Parish Councils.

Cllr K Smith was asked to keep Crich Parish Council updated with any developments.

20: D-DAY 80 - 6th JUNE 2024

To discuss lighting Crich Beacon to mark the 80th anniversary of D-Day at 9.15pm on 6th June 2024.

Crich Parish Council would like to be involved, details of lighting the beacon to be organised. Permission has been granted by Cindy Clark. Cindy will be in touch in the new year to discuss details.

21: BURIAL GROUND – SOFTWARE AND MAPPING

The software has been purchased and the project officer will continue with the set up and burial ground mapping.

The Clerk and Project Support Officer attended a training course on 17th October 2023.

More work is required to complete the set up of the software, mapping can then begin.

22: STONE BOUNDARY WALL – RECREATION GROUND

More quotes to be obtained before a decision can be made.

23: PHONE BOX – FRITCHELY

The former telephone box (now defib housing) on Fritchley Green is a Grade II Listed Building for which Crich Parish Council have a duty as owner to maintain.

The door is not closing properly which may need a bit of attention from a joiner and the external paint is peeling especially on the roof.

The advice from the conservation officer states

'Any repairs that are 'like for like' do not need listed building consent. So I would advise that a repair to the door and repainting falls into this category.'

Quotes to be obtained.

24: PLAYGROUND INSPECTION

The annual playground inspection has been received.

The urgent repairs have been completed. Quotes are being obtained for the other repairs.

25: CLEANING ROAD SIGNS

A quote was received from Keptkleen £50 to clean all the road signs within the Crich area.

To consider cleaning of road signs. Location of road signs to be cleaned to be identified.

26: PARKHEAD WELL INFORMATION BOARD

Order has been placed for design and printing of new information board.

The wooden frame to hold the board is to be repaired by David Creed.

The most preferred design was the information board with one map. To investigate the possibility of obtaining an historic photo showing the well in use.

27: WOODSIDE DEVELOPMENT

An email has been received from AVBC in response to our letter expressing concerns with the Woodside Development.

The developers have confirmed to AVBC that the landscaping is due for completion by December, this will cover landscaping at the SUDs and also along plots 43-49 which is currently outstanding. AVBC will await for these to be completed and check compliance with the approved landscaping scheme.

With regard to the SUDs access, they have confirmed that both gates now have restricted access and both have padlocks on. Restricted access signs have also been ordered to prevent any unauthorised access and this should alleviate antisocial behaviour in these areas on the site. Some issues are still outstanding.

28: DOG ETIQUETTE SIGN

A resident has asked if we can display a dog etiquette poster on the Recreation Ground after her dog experienced problems with another dog.

An example of a poster is attached, however, The Clerk can't find one to buy, so would need to look into printing costs if agreed.

Crich PC will look into the costs of a sign and possible locations.

29: DRAIN COVER – PUBLIC TOILETS

The drain cover in the disabled public toilets has now been replaced.

30: CRICH WILLOW WEAVERS – CHRISTMAS PLANTER INSTALLATION

The Willow Weavers have requested permission to install a Christmas obelisk on junction of Market Place and Coasthill. Details are attached.

Appendix I

31: DALC BESPOKE TRAINING

A bespoke training programme has been put together by DALC. The training will take approx 2.5 hours. Cost will be £270 plus mileage.

Appendix J

32: PARISH ENHANCEMENTS

Cllr K smith has been approached by several residents around the Fritchley end of the Parish to see if it would be feasible to put a planter on the "green triangle" at the junction between Chadwicknick Lane and The Common, DE56 2HL.

It has been noted that visibility for drivers emerging from Chadwick Nick Lane onto Bullbridge Hill is not very good, so the size of the planter will need to be carefully considered.

Proposed for Closed Session

In accordance with the Public Bodies (admission to Meetings) Act 1960 s.1(2) and the Local Government Act 1972 s100 (2) the following agenda item 15 to be considered with members of the public and press excluded from the meeting for the reason that the matter is confidential.
